Notes:

Room 222 will be open and supervised for students during the exam period.

Attendance is mandatory for all exams. A medical note must be provided for any missed exams.

Students are required to write their exams for at least one hour.

Upon dismissal, students must leave the exam hallways quickly and quietly as others continue to write.

If students are leaving the school after writing an exam, they should do so with the same expectations of a regular school day (i.e., having permission from a parent and signing out at the office).

If UCDSB transportation is cancelled or if schools are closed on one of the scheduled exam days, all exams will move forward by one day.
