*These courses are offered alternate years and are open to grade 11 and 12 students if they are not offered in their graduating year.

Students can reach ahead in courses if they have the prerequisite course. Please check myBlueprint for prerequisite courses.

Students in Grades 10, 11 and 12 will also need to pick alternate courses in myBlueprint.

Additional eLearning courses may be available through the Ontario eLearning Consortium. Please book an appointment in Student Services for more information.
